Amendment to the 2020 Action Plan for the CARES Act for CDBG-CV & ESG-CV

The State of South Carolina has prepared a substantial amendment to the 2020 Annual Action Plan for the CARES Act for CDBG-CV. No new funding is available. Instead unobligated funds originally allocated to the Short-term Housing Assistance Program are being reallocated to the Direct Public Services Program, under which the State will act directly, through eligible subrecipients, to help address food related and potentially other needs persisting in the wake of the coronavirus pandemic. ESG-CV is also receiving additional funding and this amendment increases available funding. The draft Amendment will be available for review for 7 days from November 7, 2022 until November 13, 2022.

The draft Substantial Amendment to the 2020 Annual Action Plan is posted on the cdbgSC web site: <https://www.cdbgsc.com/consolidated-plan/cons-plan-documents/>. Please forward any written comments by 5pm on November 13, 2022 to the Department of Commerce, Grants Administration, 1201 Main Street, Suite 1600, Columbia, South Carolina 29201, call (803) 734-0429 / TTY 711 or email comments to Liese Ross at lross@sccommerce.com.
