

Contractor & Subcontractor Build America, Buy America Act Certification

The undersigned certifies, to the best of their knowledge and belief, that

The Build America, Buy America (BABA) Act, as established under the Infrastructure Investment and Jobs Act (IIJA), Pub. L. No. 117-58, and implemented through 2 CFR Part 184, requires that no federal financial assistance for “infrastructure” projects is provided “unless all of the iron, steel, manufactured products, and construction materials used in the project are produced in the United States.”

The undersigned certifies that for the _____ (Project Name and Location) _____ the iron, steel, manufactured products, and construction materials used in this contract are in full compliance with the BABA requirements including:

1. All iron and steel used in the project are produced in the United States. This means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.
2. All manufactured products purchased with HUD financial assistance must be produced in the United States. For a manufactured product to be considered produced in the United States, the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55% of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation.
3. All construction materials are manufactured in the United States. This means that all manufacturing processes for the construction material occurred in the United States.

“The, _____ [Contractor or Subcontractor] __, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any.
