NOTICE TO BIDDERS:
This project is subject to the Build America, Buy America Act (BABA) requirements under Title IX of the Infrastructure Investment and Jobs Act ("IIJA"), Pub. L. 177-58. Absent an approved waiver, all iron, steel, manufactured products, and construction materials used in this project must be produced in the United States.

This means that all manufacturing processes, from the initial melting stage through the application of coatings for iron and steel, and all manufacturing processes for manufactured products and construction materials, must occur in the United States. Any request for substitute or "or equals" shall include the Manufacturer's Certification of compliance with the Build America, Buy America Act (BABA) requirements.

Documentation of BABA compliance must be provided by the contractor for all iron, steel, manufactured products, and construction materials used in the project. Written evidence from the manufacturer or supplier will be required that identifies the item purchased; affirms the location of manufacture as within the United States; and is signed by an authorized company representative.
